Oracle America, Inc., and Oracle
International Corp.*

17 UNITED STATES DISTRICT COURT

18 DISTRICT OF NEVADA

19 ORACLE USA, INC.; a Colorado corporation;
20 ORACLE AMERICA, INC.; a Delaware
21 corporation; and ORACLE INTERNATIONAL
22 CORPORATION, a California corporation,

23 Plaintiffs,

24 v.

25 RIMINI STREET, INC., a Nevada corporation;
26 and SETH RAVIN, an individual,

Defendants.

Case No. 2:10-cv-0106-LRH-VCF

**REPLY IN SUPPORT OF
ORACLE'S MOTION FOR LEAVE
TO FILE ADDITIONAL PAGES
(L.R. 7-3)**

1 Rimini opposes Oracle's motion to extend the page limit on Oracle's upcoming motion for
2 an order to show cause, asserting that this Court established page limits for motions in an Order
3 last year. However, Rimini fails to quote the governing portion of the Order: "If a party has need
4 to make a substantive filing greater than 30 pages, it must **request permission to do so in**
5 **accordance with LR 7-3(c) and demonstrate good cause with specificity.** Filing a motion over
6 the page limit alongside a motion to exceed page limits is not permitted." Order, *Rimini II* ECF
7 No. 1240 at 7 (emphasis added). In accordance with this Court's Order, Oracle filed a motion
8 requesting permission for additional pages prior to filing its motion for an order to show cause,
9 and Oracle has demonstrated good cause by showing: (a) the motion for an order to show cause
10 concerns the critically important issue of enforcing this Court's Injunction; (b) the record
11 regarding Injunction-compliance is voluminous; and (c) the record includes individual exhibits
12 that are so voluminous that a single exhibit would exceed the Order's page limit. Rimini also
13 ignores the portion of the Order that explains that the page limit is appropriate for motions like a
14 motion in limine. A motion for an order to show cause regarding injunction compliance is, by its
15 nature, a substantially more involved proceeding than a motion in limine, and it warrants more
16 comprehensive briefing. As Rimini has entirely failed to rebut Oracle's showing of good cause,
17 Oracle's motion for additional pages should be granted.
